How is voter list maintenance handled?

Ark. Const. Amendment 51, §10. Transfer and change of status

(a) Upon a change of legal residence within the county, or a change of name, any registered voter may cause his or her registration to be transferred to his or her new address or new name by completing and mailing a federal or state mail voter registration application form, by updating his or her address at the Office of Driver Services, any state revenue office, public assistance agency, disabilities agency, or other voter registration agency, by signing a mailed request to the permanent registrar, giving his or her present address and the address at which he or she was last registered or his or her present name and the name under which he or she was last registered, or by applying in person at the office of the permanent registrar.

(b)(1) Upon a change of legal residence from one (1) county within the state to another county within the state, any registered voter may cause his or her registration to be transferred to the new county at his or her new address by:

(A) Completing and mailing a federal or state mail voter registration application form;

(B) Updating his or her new address at a voter registration agency, including without limitation the Office of Driver Services or a state revenue office, public assistance agency, or disabilities agency;

(C) Signing a mailed request to the permanent registrar giving the voter's present address and the address at which the voter was last registered; or

(D) Applying in person for the transfer at the office of the permanent registrar.

(2)(A) If the updated registration information is actually received in the office of the county clerk of the voter's new county not later than four (4) days before a scheduled election, the voter shall have the right to vote in the scheduled election in the precinct into which the voter just moved in the new county.

(B) If the updated registration information is not actually received by the fourth day before a scheduled election, the voter shall not be eligible to vote in the scheduled election.

(c) If the change of legal residence is made pursuant to subsection (a) or subdivision (d)(1) of this section during the thirty-day administrative cut-off period immediately prior to any election scheduled within the county, the registered voter shall retain his or her right to vote in the scheduled election in the precinct to which he or she just moved.

(d) The permanent registrar shall conduct a uniform, nondiscriminatory address confirmation program during each odd-numbered year to ensure that voter registration lists are accurate and current. The address confirmation program shall be completed not later than ninety (90) days prior to a primary or general election for federal office. Based on change of address data received from the United States Postal Service or its licensees, or other unconfirmed data indicating that a registered voter no longer resides at his or her registered address, the permanent registrar shall send a forwardable address confirmation notice, including a postage-paid and preaddressed return card, to enable the voter to verify or correct the address information.

Ark. Const. Amendment 51, §10, cont.

(1) If change of address data indicate that the voter has moved to a new residence address in the same county and, if the county is divided into more than one (1) congressional district, the same congressional district, the address confirmation notice shall contain the following statement:

“We have received notification that you have moved to a new address in _____ County (or in the _____ Congressional District). We will reregister you at your new address unless, within ten (10) days, you notify us that your change of address is not a change of your permanent residence. You may notify us by returning the attached postage-paid postcard or by calling (_____) _____-_____. If this is not a permanent change of residence and if you do not notify us within ten (10) days you may be required to update your residence address in order to vote at future elections.”

(2) If the change of address data indicates that the voter has moved to a new address in another county or, if a county is divided into more than one (1) congressional district, to a new address in the same county but in a new congressional district, the notice shall include the following statement:

“We have received notification that you have moved to a new address not in _____ County (or not in the _____ Congressional District). If you no longer live in _____ County (or in the _____ Congressional District), you must transfer your registration to your new residence address in order to vote in the next election. If you are still an Arkansas resident, you may obtain a form to transfer your registration by calling your county clerk's office or the Secretary of State. If your change of address is not a change of your permanent residence, you must return the attached postage-paid postcard. If you do not return this card and continue to reside in _____ County (and in the _____ Congressional District), you may be required to provide identification and update your residence address in order to vote at future elections, and if you do not vote at any election in the period between the date of this notice and the second federal general election after the date of this notice, your voter registration will be cancelled and you will have to reregister in order to vote. If the change of address is permanent, please return the attached postage-paid postcard which will assist us in keeping our voter registration records accurate.”

(e) The county clerk may send out an address confirmation to any voter when he or she receives unconfirmed information that the voter no longer resides at the address on the voter registration records. The county clerk shall follow the same confirmation procedure as set forth in subsection (d) of this section.

(f) Based on change of address information received pursuant to subsections (a) and (d) of this section, the permanent registrar shall:

(1) Update and correct the voter's registration if the information indicates that the voter has moved to a new address within the same county and the same congressional district;

(2) Designate the voter as inactive if the information indicates the voter has moved to a new address in another county or to a new address in another congressional district in the same county or if the address confirmation notices have been returned as undeliverable; or

(3) Cancel the voter registration in the county from which the voter has moved if the voter verifies in writing that he or she has moved to a residence address in another county. [As amended by Acts 1977, No. 882, § 1; 1991, No. 581, § 1; 1995, No. 947, § 6; 1995, No. 964, § 6; 1999, No. 1108, § 1; 2007, No. 560, § 1; 2009, No. 659, § 3.]

[The National Voter Registration Act of 1993](#)

Congress enacted the National Voter Registration Act of 1993 (also known as the “NVRA” and the “Motor Voter Act”), to enhance voting opportunities for every American. The Act has made it easier for all Americans to register to vote and to maintain their registration. Section 8 of the NVRA contains requirements with respect to the administration of voter registration by States and requires States to implement procedures to maintain accurate and current voter registration lists.
