How is voter list maintenance handled?

48A.27 Changes to voter registration records.

4.a. A commissioner, either independently or in cooperation with the state registrar of voters, and in accordance with rules of the state voter registration commission, may enter into an agreement with a licensed vendor of the United States postal service participating in the national change of address program to identify registered voters of the county who may have moved either within or outside the county.

b. If the information provided by the vendor indicates that a registered voter has moved to another address within the county, the commissioner shall change the registration records to show the new residence address, and shall also mail a notice of that action to the new address. The notice shall be sent by forwardable mail, and shall include a postage prepaid preaddressed return form by which the registered voter may verify or correct the address information.

c. If the information provided by the vendor indicates that a registered voter has moved to an address outside the county, the commissioner shall make the registration record inactive, and shall mail a notice to the registered voter at the new address.

(1) The notice shall be sent by forwardable mail, and shall include a postage paid preaddressed return card on which the registered voter may state the registered voter's current address.

(2) The notice shall contain a statement in substantially the following form:

Information received from the United States postal service indicates that you are no longer a resident of, and therefore not eligible to vote in (name of county) County, Iowa. If this information is not correct, and you still live in (name of county) County, please complete and mail the attached postage paid card at least fifteen days before any election at which you wish to vote. If the information is correct and you have moved, please contact a local official in your new area for assistance in registering there. If you do not mail in the card, you may be required to show identification before being allowed to vote in (name of county) County. If you do not return the card, and you do not vote in an election in (name of county) County, Iowa, on or before (date of second general election following the date of the notice) your name will be removed from the list of voters in that county.

d. If the information provided by the vendor indicates the registered voter has moved to another county within the state, the notice required by paragraph "c" shall include a statement that registration in the county of the person's current residence is required.

48A.27 CONTINUED

e. If a registered voter returns a card sent pursuant to this subsection and confirms that the registered voter has moved to a new residence outside the county, the commissioner shall cancel the registration of the voter.

f. If a registered voter returns a card sent pursuant to this subsection and states that the registered voter's residence address has not changed for the purpose of voter registration, the commissioner shall reinstate the record to active status, making any other changes directed by the registrant in the notice.

5. The commissioner shall keep a record of the names and addresses of the registered voters to whom notices under this section are sent and the date of the notice. When the return card from a notice is received by the commissioner, the commissioner shall record the date it was received and whether the registrant had moved within the county, moved to an address outside the county, or had not changed residence.

48A.28 Systematic confirmation program.

1. Each commissioner shall conduct a systematic program that makes a reasonable effort to remove from the official list of registered voters the names of registered voters who have changed residence from their registration addresses.

2. a. A commissioner shall participate in the United States postal service national change of address program, as provided in section 48A.27. The state voter registration commission shall adopt rules establishing specific requirements for participation and use of the national change of address program.

b. A commissioner participating in the national change of address program, in the first quarter of each calendar year, shall send a notice and preaddressed, postage paid return card by forwardable mail to each registered voter whose name was not reported by the national change of address program and who has not voted in the most recent general election and has not registered again or who has not reported a change to an existing registration. Registered voters receiving such notice shall be marked inactive. The form and language of the notice and return card shall be specified by the state voter registration commission by rule. A registered voter shall not be sent a notice and return card under this subsection more frequently than once in a four-year period. A registered voter shall not be sent a notice and return card under this subsection if the registered voter was not eighteen years of age on the date of the general election.

48A.29 Procedure upon return of confirmation card.

1. If a confirmation notice and return card sent pursuant to section 48A.28 is returned as undeliverable by the United States postal service, the commissioner shall make the registration record inactive and shall mail a notice to the registered voter at the registered voter's most recent mailing address, as shown by the registration records.

48A.29 CONTINUED

a. The notice shall be sent by forwardable mail, and shall include a postage paid preaddressed return card on which the registered voter may state the registered voter's current address.

b. The notice shall contain a statement in substantially the following form:

Information received from the United States postal service indicates that you are no longer a resident of (residence address) in (name of county) County, Iowa. If this information is not correct, and you still live in (name of county) County, please complete and mail the attached postage paid card at least fifteen days before any election at which you wish to vote. If the information is correct, and you have moved, please contact a local official in your new area for assistance in registering there. If you do not mail in the card, you may be required to show identification before being allowed to vote in (name of county) County. If you do not return the card, and you do not vote in some election in (name of county) County, Iowa, on or before (date of second general election following the date of the notice) your name will be removed from the list of voters in that county.

2. When a detachable return card originally attached to a confirmation notice is returned indicating that the registered voter is still a resident of the address shown on the registration records, the commissioner shall make a record of the date the card was received.

3. When a detachable return card originally attached to a confirmation notice is returned by anyone other than the registered voter indicating that the registered voter is no longer a resident of the registration address, the commissioner shall make the registration record inactive, and shall mail a notice to the registered voter at the registered voter's most recent mailing address, as shown by the registration records.

a. The notice shall be sent by forwardable mail, and shall include a postage paid preaddressed return card on which the registered voter may state the registered voter's current address.

b. The notice shall contain a statement in substantially the following form:

Information received by this office indicates that you are no longer a resident of (residence address) in (name of county) County, Iowa. If the information is not correct, and you still live at that address, please complete and mail the attached postage paid card at least fifteen days before any election at which you wish to vote. If the information is correct, and you have moved within the county, you may update your registration by listing your new address on the card and mailing it back. If you have moved outside the county, please contact a local official in your new area for assistance in registering there. If you do not mail in the card, you may be required to show identification before being allowed to vote in (name of county) County.

48A.29 CONTINUED

If you do not return the card, and you do not vote in some election in (name of county) County, Iowa, on or before (date of second general election following the date of the notice) your name will be removed from the list of registered voters in that county.

The National Voter Registration Act of 1993

Congress enacted the National Voter Registration Act of 1993 (also known as the "NVRA" and the "Motor Voter Act"), to enhance voting opportunities for every American. The Act has made it easier for all Americans to register to vote and to maintain their registration. Section 8 of the NVRA contains requirements with respect to the administration of voter registration by States and requires States to implement procedures to maintain accurate and current voter registration lists.

Any person who believes that there is a violation of any provision of Title III, including a violation which has occurred, is occurring, or is about to occur, by any state or local election official, may file a complaint with the state commissioner. All complaints shall be in writing, signed and notarized, and be sworn under oath. Each complaint must identify the complainant by name and mailing address, and include a clear and concise description of the alleged violation that is sufficiently detailed — including the name and address of each respondent, if known — to inform both the respondent and the presiding officer of the nature of the alleged violation.
