What is the Help America Vote Act (HAVA)?

According to the [Election Assistance Commission](#):

The [Help America Vote Act \(HAVA\) of 2002](#) was passed by the United States Congress to make sweeping reforms to the nation's voting process. HAVA addresses improvements to voting systems and voter access that were identified following the 2000 election. HAVA mandates that EAC test and certify voting equipment, maintain the National Voter Registration form and administer a national clearinghouse on elections that includes shared practices, information for voters and other resources to improve elections.

HAVA creates new mandatory minimum standards for states to follow in several key areas of election administration. The law provides funding to help states meet these new standards, replace voting systems and improve election administration. HAVA also established the Election Assistance Commission (EAC) to assist the states regarding HAVA compliance and to distribute HAVA funds to the states. EAC is also charged with creating voting system guidelines and operating the federal government's first voting system certification program. EAC is also responsible for maintaining the National Voter Registration form, conducting research, and administering a national clearinghouse on elections that includes shared practices, information for voters and other resources to improve elections. HAVA requires that the states implement the following new programs and procedures:

- Provisional Voting
- Voting Information
- Updated and Upgraded Voting Equipment
- Statewide Voter Registration Databases
- Voter Identification Procedures
- Administrative Complaint Procedures

In compliance with section 402 of the Help America Vote Act (HAVA), the Secretary of State has also established an administrative complaint procedure to resolve alleged violations of Title III of HAVA. The new process established by rule is intended to supplement, not substitute for, the more expedient process of resolving election complaints informally by communicating directly with local or state election officials. Individuals wishing to file a complaint under the administrative complaint procedure must complete the [Administrative Complaint Procedure Complaint Form](#).
