What is the Help America Vote Act (HAVA)?

According to the [Election Assistance Commission](#):

The [Help America Vote Act \(HAVA\) of 2002](#) was passed by the United States Congress to make sweeping reforms to the nation's voting process. HAVA addresses improvements to voting systems and voter access that were identified following the 2000 election. HAVA mandates that EAC test and certify voting equipment, maintain the National Voter Registration form and administer a national clearinghouse on elections that includes shared practices, information for voters and other resources to improve elections.

HAVA creates new mandatory minimum standards for states to follow in several key areas of election administration. The law provides funding to help states meet these new standards, replace voting systems and improve election administration. HAVA also established the Election Assistance Commission (EAC) to assist the states regarding HAVA compliance and to distribute HAVA funds to the states. EAC is also charged with creating voting system guidelines and operating the federal government's first voting system certification program. EAC is also responsible for maintaining the National Voter Registration form, conducting research, and administering a national clearinghouse on elections that includes shared practices, information for voters and other resources to improve elections. HAVA requires that the states implement the following new programs and procedures:

- Provisional Voting
- Voting Information
- Updated and Upgraded Voting Equipment
- Statewide Voter Registration Databases
- Voter Identification Procedures
- Administrative Complaint Procedures

How do I file a HAVA complaint?

All administrative complaint proceedings will be designated as informal and conducted in accordance with Utah Code [[Title 63-4-2](#)] *Administrative Procedures Act*.

A committee will be formed to review the notarized complaints. The committee will consist of two political party representatives, two county clerks (one urban and one rural), the state elections office, and two advocacy representatives (including one from the visually impaired community). After reviewing the complaint, the committee may refer it to mediation or court as necessary.

It is anticipated that most complaints that are received over the phone or other written complaints will be resolved immediately without using the formal complaint procedure.
